Good Rains Fall Over Entire Panhandle

1,001 Randall Men Now in Service

Large Number of Men in Service

Forty Men Given Discharges Since War Started—Report Brought Down to Date

Randall county is given credit for having 1,001 men in the armed forces.

The local board of Selective Service received a report yesterday which gives credit for all men who had been inducted up to May 29.

This includes all branches of the armed service, **National Guard,** Army, Navy and **Marine Corps.**

According to the record, 40 men have been discharged from the service and these have been deducted from the total credits of the county. The 1,001 credit is the net number of men who are now under arms.

This is a considerable jump over the credits of the last report, and certainly must include all who have gone into the armed forces.

Schedule for this month are as follows:

June 12, 6 men for induction in the Army.

June 22, 4 men for induction in the Navy.

June 18, 20 men to take physical examinations.

Facts of Local Churches Start In New Series

A citizen of Canyon is compiling "little known facts" about the churches of Canyon. The following is the first of a series, which will be of interest to all citizens:

When the building committee of the Christian Church in Canyon was inspecting various locations for the new church, it considered several lots. When the committee stood on the site of the present church and inspected the surroundings, one after another made favorable comment.

Miss Mary Adeline Lamb, an honored teacher of education in the College and a member of the building committee said: "Our attention was attracted to a book with fluttering leaves, a hymn book probably blown out of a neighboring church, open on the song 'How Firm a Foundation.'"

No superstitious meaning was attached to the words, but the committee really liked that site best. The whole town—as Canyon wholeheartedly does—approves thoroughly the situation of the beautiful Christian Church on Fifth avenue.

Trim Trees Along Sidewalks Asked of All Citizens

Canyon citizens are warned to trim their trees along the sidewalks.

Various persons have complained that it is impossible to use the sidewalks to any extent because of the low hanging branches. These branches are dangerous to pedestrians. It is likewise dangerous when all pedestrians are forced to walk in the streets because of the low hanging branches.

Sidewalks are made for the use of pedestrians, and they should not be denied this privilege because of trees which make the use of these walks impossible.

Appleton Moves To Tulia Car Agency

Sam Appleton of 2406 7th Ave., has purchased the Clennin Motor Company of Tulia, dealer in Plymouth and Dodge automobiles and will shortly move to that city with his family. Mr. Appleton assumed charge of the business on Wednesday of last week. Mrs. Appleton and children will remain in Canyon until a home can be purchased in Tulia.

Mr. Appleton moved here in August of 1942 and since that time has been senior instructor in charge of the Inspection Branch at Amarillo Army Air Field. He has been with the Air Corps for the past three years, at Rantoul, Illinois, Wichita Falls, Texas, and Amarillo. His request for an honorable release was granted only because of health. Mr. William S. Neale, also of Canyon, will succeed Mr. Appleton as Senior Instructor.

Miss Billie Lois Smith of Los Vegas, N. M., niece of E. S. Trout, spent Thursday and Friday with Mr. and Mrs. E. S. Trout.

Group of Men Passed Physical Exams at Lubbock

Among the men who went to Lubbock last week for their physical examinations, three were accepted for immediate induction.

Raymond Carl Graves was accepted in the Marine Corps; Charles Daniel Scott and William A. Wright were accepted in the navy.

Those passing the examination for the army were: Edward Lee Wood, James Edgar Washburn, Carl Calvin Hall, Alvin Oscar Friemel, Leonard Henry Batenhorst, Si Maxwell Bosley, Jr., Marion Everett Williams, James Harold Dear, Alban Jacob Bezner, Lawrence Elvis Howard.

Acceptable for the navy were: Donald B. Howard, James Wilbur Sutton, John Watson Nickolson, Edwin Leo Regel, Olen Lee Christie, Earl Turley.

Billie Walker Is Reported Dead in Italy—Lived Here

T/Sgt. Billie Walker was killed in action over Italy on May 13, according to word received Monday. He had been a member of the Air Corps for three years.

Sgt. Walker was an ex-student of West Texas State and was employed by Thompson's during his time in college. He was a brother of Sgt. Jack Walker of Ft. Sumner who's wife is the former Martha Jo Newlin.

The father, Barney Walker, lives at Samnorwood.

UNDERWENT OPERATION

Mrs. T. C. Thompson underwent an operation Thursday at the hospital in Temple. Her daughter, Mrs. T. S. Maxwell, is with her and will remain as long as necessary. According to word the first of the week Mrs. Thompson is recovering in a satisfactory manner.

MARRIAGE LICENSE

Carl Fred Benton to Doris Laverne Henderson, May 28.

Mrs. Al Baggett of Amarillo visited friends in Canyon over the week end.

Summer Session of West Texas State College Reports a Good Enrollment

June 5 Is the Final Day For Enrollment in the 1st Session—Work Starts

Owing to the fact that so many of the public schools have not yet closed, enrollment for the summer session of West Texas State will continue until June 5.

The registration so far has been about as anticipated, stated Dr. D. A. Shirley, registrar, yesterday. No figures on the total registration will be available until after registration closes for the first session.

Class work started in all departments of the College this week.

Already surprise has been expressed at the number of young men who have enrolled for the summer session. Many of them are high school graduates of this year's classes, who will be able to do a year of college work before they are old enough for military service. Another group of men is made up of those who have been discharged from the armed forces and are immediately resuming their studies. Still others are older men who are on the campus to prepare themselves to progress in their professions.

Among the women who are in summer school are young girls just out of high school, women whose communities almost demand that they re-enter teaching in order to take care of the children of their home schools, others who need special business or vocational training.

Students have begun their work enthusiastically, and have found the cool, cloudy days pleasant and stimulating. Everything indicates that West Texas State will have a successful summer session, with a more satisfactory attendance than is general throughout the United States.

The recreation program includes swimming, hiking, games, recording programs, conducted trips thru the Panhandle-Plains Historical Society Museum, discussions of current affairs, dancing, music activities, church programs. Other activities will be organized if students ask for them.

Dumping Trash on Roads Will Bring $50 Fine Violators

Some citizens of Canyon are faced with a $50 fine for throwing trash, dead animals and bones along the country roads. This is the state law.

Citizens near Canyon are complaining that the country roads are being contaminated by refuse being hauled out by the people of Canyon.

The bridge north of Canyon on the old highway is a favorite dumping spot, according to County Commissioner G. B. Heath. The water in Palo Duro Creek is being contaminated by bones which are being dumped into the creek. Farmers along the creek are complaining, and are on the lookout for the guilty persons. Complaints will be filed against any citizen who is seen dumping any kind of trash or refuse materials at this bridge.

Mr. Heath states that he hopes those who have been guilty of this violation of the law will stop their practice before they are prosecuted.

W. F. Barnard Has Large Group Boys in Service

W. F. Barnard retired farmer of this vicinity who says he is ready for the draft board to draft him is well represented in the armed services. Mr. and Mrs. Barnard have two sons in the service, one in the army, and one in the navy. They have 11 grandsons serving in various branches. Seven are over seas. One has been in Italy since the invasion started there. Another has been in the South Pacific for two years.

Two known nephews are serving and one has been killed. Mr. Barnard says he has no way of telling how many nephews are in the service as his family is scattered over several states.

The Barnards have been residents of Randall county for 18 years and moved into Canyon seven years ago when they felt that they were no longer physically capable of carrying on the farm activities successfully.

OES Installation Held Last Night at Lodge Rooms

Wednesday night the Canyon City Chapter of the Order of the Eastern Star installed officers for the 1944-45 year with Miss Bertie Mae Williams as the installing officer. For the new year Ethel Campfield will serve as Worthy Matron; Harry Campfield, Worthy Patron; Emma Coleman, Associate Matron; Lee L. Johnson, Associate Patron; Nina White, Secretary; Berl Mayfield, Treasurer; Marie Hair, Conductress; Carlee Wirt, Associate Conductress; Edith Speer, Chaplain; Mamie Newman, Marshal; Nelle Jarvis Burton, Organist; Martha Nelle Burton, Adah; Wilma Hixson, Ruth; Berle Hixson, Esther; Charlotte Beth Henderson, Martha; Avis Campfield, Electra; Doris Bosley, Warder; Ellen Moore, Sentinel.

Lt. Samuel Archer Missing In Action

Lt. Samuel O. Archer, son of Mr. and Mrs. C. O. Archer of Lubbock, formerly of Canyon, has been missing in action over Germany since May 8, according to a telegram from the War Department to his parents. He was engaged as a navigator in the Army Air forces with base in England.

Lt. Archer entered the service in February of 1943. He received his training at the Hondo Army Air Field, and has been overseas about a month. Formerly a school teacher at Shallowater and Seagraves, Lt. Archer received his degree from West Texas State Teachers College in 1937.

G. D. Foster and family of Colorado spent the week end at the parental G. G. Foster home.

J. H. Cox and family of Lubbock spent Sunday at the A. B. Holt home.

Canyon Public Schools Will Close in Commencement Exercises Friday

Dr. A. M. Meyer Will Give Commencement Address to the Graduates Friday

Sunday evening at the Methodist Church Chaplain Joseph S. Long, who is stationed at Amarillo Air Field, delivered the commencement sermon for the 38 seniors of the Canyon High School.

On Friday night at 8:30 o'clock Dr. A. M. Meyer, Dean of Graduates and Professor of Education at West Texas State College, will deliver the commencement address in the auditorium of the Canyon High School.

Following the address Dr. Harris M. Cook, president of the School Board will present diplomas and Supt. J. B. Speer will announce the year's awards. Among these awards are valedictorian and salutatorian to the two students with the highest and second highest averages, the American Legion scholarship to the highest ranking son or daughter of a Legionaire in good standing at the Palo Duro Post, the Burnam plaque to the most outstanding senior journalist, and possibly the most coveted award—the Balfour plaque which is awarded by vote of the faculty to the senior who has been most valuable to the school in scholarship, service and loyalty.

An unusual event in the commencement exercise will be the presentation of the senior gift to the school. Always before this gift has been presented at the final assembly of the year which is conducted by and for the senior class.

Seniors who will receive their diplomas are: Mary Alice Campfield, Raymond Aardal, Shirley Newberry, Charles SoRelle, Vernez Turner, Bobbie Dowd, Frankie Phillips, Margaret Prichard, Merle Dickerson, Joyce Crowley, Billy Bible, Gwendolyn Phillips, Douglas Walker, Juanita Anderson, Helen Jo Cox, Leslie Gordon, Lorena Turner, Charles Schafer, Betty Ann Simon, J. Ray Hunter, Peggy Head, Lindsey Taylor, Ruth Price, Claudine Foster, Mollie Nann Ziegler, Manus Read Foster, Evelyn Black, Charles Hillier, Billy Jane Bonifield, Esther Byrd, Lillian Menke, Wynema Robbins, Kathryn Davenport, Max Bosley, Ida Brandt, John Lill, LaNora Mahler, and Dorothy Bogert.

Lewis Shirley Is Promoted to Lt. (jg) in the Navy

Ensign Lewis Shirley has been promoted to Lieutenant, Junior Grade. He received his commission early in 1943, and the promotion came a little more than a year later.

Lt. Shirley is now stationed at Hollywood Beach, Fla. His wife is with him.

Jean Tarlton Gave Recital Monday Nite

Miss Jean Tarlton gave a violin recital Monday night at the Amarillo Junior College. The recital was sponsored by a group of Amarillo citizens who are interested in the musical career of Miss Tarlton.

Miss Tarlton is one of the most promising young musicians of Canyon. She is a Junior in West Texas State. Her father was a member of the first graduating class of the college and moved back to Canyon several years ago to educate his family. He is in charge of the Dahlia beds on the campus.

Estelle Burgess left for Estes Park, Colorado this week. Miss Burgess will be in charge of recreation of children in the resort for the summer.

Miss Anita Cleland has returned to Canyon for the summer after having spent the winter teaching in Canadian.

Edna Karren Kemmish is a patient in an Amarillo hospital.

MEMORIAL DAY·1944·
"The mystic chords of memory, stretching from every battlefield and patriot grave to every hearth and hearthstone... all over this broad land..."

County's Honor Roll

Killed and Died in Service

Waldrop, T/Sgt. Hubert; Germany

High School Basketball Players Are Guests of W. T. This Week

Boys 16 Years of Age Interested in Becoming Future Buffalo Players

West Texas State is playing host to outstanding basketball boys this week.

Coach Gus Miller states that 24 high school boys are here for the week, being entertained at the College. Daily workouts are held for the boys, with entertainment features given for the entertainment of the boys every night.

All of the boys are from the high schools of the Plains. All of them are under 16 years of age, and they have made splendid records in high school basketball.

At least 16 of these boys could make any high shool basketball team in Texas, and if they can be induced to return to West Texas State this fall the Buffaloes will have another outstanding team.

The boys were glad to accept the invitation to play here for a week as all of them know the national reputation of the Buffaloes and would be honored in following in the footsteps of the men who have made such an outstanding record in the nation.

Pvt. Erma Mae Sutton, WAC, from Lubbock spent the week end with her sister, Mrs. Max Barnard and family. Mr. and Mrs. Charlie Sutton of Happy joined their daughters here for Sunday dinner.

Wayne Porter, Robert Black, Lavert Avent, Jr. and Clarence E. Lundry are home on leave from San Diego where they are in the navy. They report back June 7.

Plead Guilty of Burglary and Is Given Pen Term

Harry Mobley plead guilty of burglray in District Court Saturday and was given a two year sentence in the penitentiary. He raided the Vern Dysart home in the north part of the county April 15.

Most of the stolen goods were recovered in Borger. Sheriff Cantrell brought Mobley from Henrietta, Okla.

Mrs. Cantrell and son, Connally, accompanied Sheriff Cantrell Tuesday to take Mobley to the penitentiary. They went to Dallas where Connally will undergo an operation on his foot. Mrs. Cantrell expects to be in Dallas about two weeks.

Telegraph Office Is Opened Down Town

Western Union has opened a telegraph office in the City Pharmacy in order to relieve congestion at the depot.

Messages are sent and received here at all hours that the store is open. Only messages of the most urgent nature will be accepted at the depot between 10 p. m. and morning.

Rev. Joe Findley was brought home from the hospital in Amarillo Tuesday. He is recovering splendidly from an operation for appendicitis.

Wheat, Oats and Barley Are Good

Fine Rains Cover Entire Plains During Week, With Excellent Growing Weather

Rain fell in Canyon Friday and Saturday amounting to 1.35 inches. The total for Friday was 1.22 inches, and .13 of an inch was added Saturday morning.

A shower Monday night amounted to .04 of an inch. Another rain of .20 of an inch fell Tuesday night, accompanied by considerable electricity.

The total moisture for May was brought to 2.24 inches, and the total for the year amounts to 6.77 inches.

Rain and hail fell in Canyon last night which added .75 of an inch of moisture. This is counted on June's rainfall. The rain is reported to have covered most of the Panhandle, but the hail was localized. No great damage has so far been reported. In Canyon the ground was covered with leaves from the trees, and some damage done to roofs. Gardens suffered in places. So far no reports of damage have been received to the splendid grain crop.

Farmers are elated over the fine prospects for wheat, oats and barley for the year. Conditions were never more favorable as harvest time nears. All kinds of grain are doing wonderful in every part of the county.

The row crop acreage is one of the largest ever planted in the county. This crop is getting a wonderful start, thanks to the continued fine weather which has prevailed this spring.

There has been no hot weather. Although the thermometer reaches around 80 degrees in the afternoon, the nights continue cool. It is expected that June will bring hot weather, with real summer temperatures.

Hot Games Are Played by Boys In Recreation

In the junior division on Thursday, Chas. Snap's team lost a 15 to 5 scored game to Carroll Vaughan's team. Long hit a home run for the winners, and Jim Lindsey scored three runs. Chas. Snap and Roberts were the outstanding players for the losers. On Monday Vaughan's team again defeated Chas. Snap's team 11 to 6. The juniors will not hold their track meet this afternoon but will hold it next Thursday, June 8.

As soon as possible a swimming program will be started. Individual instruction will be given one hour a week. At another period each week recreational swimming will be given.

On Thursday in the senior division, Chas. Taylor's team lost to Max Bosley's team by scores of 28 to 8. Bosley lead the hitting for the winners with six hits out of seven times at bat.

Mr. Nicklaus urges all boys interested in play on Monday and Wednesday to come out for the games and be eligible for the swimming program which is to start within a week or two.

On Thursday in the sub-junior division the Giants defeated the Cardinals 21 to 17. Samples was the leading hitter for the losers with two home runs. He also scored four runs. Morton scored three runs for the losers. For the winners Ratcliff and Donnell each hit three home runs. Blewett besides pitching a good game also hit two home runs for the winners. Davis at shortstop for the winners, played a fine defensive game and also hit well.

On Monday the Giants again defeated the Cardinals 23 to 10. The Cardinals missed the playing of their captain Lynn Neil. Davis, Ratcliff and McCarter were the hitting stars for the winners and Snap lead the hitting for the losers.

The subjuniors were unable to hold their track meet on Friday because of rain. On Monday, June 5, at 6:30 o'clock they will have their track and field meet instead of ball games. They will work out for track Saturday morning at 9:30 o'clock at Buffalo Stadium.

W. G. Sanderson at the Canyon High School has the names of 11 boys of high school age who are willing and eager to help the farmers in this vicinity during the summer.

Mrs. Millard Word of Clarendon spent the week end at the home of her mother, Mrs. S. L. Ingham. Miss Mary Charlotte Word and Mrs. Ingham returned to Clarendon with Mrs. Word.

Ardent New Dealers are trying to explain the fracas at Austin as a democratic victory. Nothing of the sort! It was simply another case of a small number of die-hards who refused to accept defeat. The fact that only 250 or 300 of the 1600 delegates to the Democratic State Convention left the convention and held a separate convention should be proof enough of their minority. After two defeats on roll call they walked out, unable to stand defeat. The situation is simply this: The New Dealers are confident that the National Democratic Convention will be so overwhelmingly for Roosevelt that it will throw out delegates who are not favorable to a 4th term. If the regularly elected delegates from Texas are unseated by the delegates named at the rump convention, it simply means that Roosevelt intends running rough shod over all opposition when he is re-elected for a 4th term. He will attempt to cram down the throats of the people all of the social reforms that Eleanor has been feeding the negroes and youth of the land during the past 12 years. We cannot believe that the Democratic National Committee will be so unfair as the bolting faction of Texas expects it to be at the Chicago national convention. But we shall see what we see.

"When the boys come home" is the stock phases of various groups of people as they consider reforms that should be made now. They hope "the boys" will demand action. In other words, those of us who stay at home are doing the cowardly thing in postponing "until the boys come home" jobs which we should have common decency enough to do now. Let's do the cleaning up now! At this Memorial Day time we should consider those who are giving their lives for American freedom. Allowing selfish interests and groups to continue preying on the nation shows a lack of patriotic interest in the welfare of the nation at the present time. We show a lack of respect for those who fight and die for Democracy, just as we did 25 years ago.

The Senator Judiciary Committee has reprimanded Attorney General Biddle for calling out the army in the Montgomery Ward case. The weak defense is made that the Attorney General had no faith in the U. S. Marshals, who are at his command. Yet no one has heard of his trying to dismiss these law enforcement men of whom all citizens are pretty much afraid. The Attorney General is in a tight spot and is making all kinds of excuses to justify his actions. His actions are sufficient to make all law abiding citizens shudder. We now have a government of departments and bureaucrats, who not only write the law of the land according to their fancy, but likewise administer the law through such agencies as they see fit.

Strikes are on the increase in America. Union members are no longer under control of their leaders, who made pledges of no strikes during the war. The most distressing fact is that labor racketeers always win favors from the government as a result of their walk outs. We shall not have a change in the strike situation so long as Madame Perkins and Eleanor are running the socialized end of the government.

Gibb Gilchrist has been elected president of A. & M. College. He may not be a polished educator, but he is certainly a hard hitting executive who will run things at the College. From all appearances he is the type of man that has been needed down there for some time.

Practically every community of the Southwest is making a study of the youth problem. During the summer Canyon has an athletic program which is sponsored by Coach W. W. Nicklaus and Chas. Duval. These men are devoting a lot of time in directing the boys of the community. There are 16 women of the community working with the Girl Scouts. All of these people have the thanks of the community. What are the rest of us doing? Cussing the kids for their cussedness? Probably this is the extent of our interest. Several towns have contemplated community centers for the use of the boys and girls. The youth of Canyon is probably no better or no worse than the kids and young folks of other communities. More people should be interested in the welfare of the future men and women of this community than is evidenced by the number who are devoting their time and talent to this large group. At least those who are working at the job should be complimented and encouraged to do their best. Without encouragement they might become discouraged because so few other people have time to work at this job.

The News wishes to take this opportunity of thanking the people of Randall county for the splendid cooperation during the past six months while we have been operating short handed. There has been no change in the printing situation. Printers are simply not to be had, as any newspaper man will tell you. We have had such fine cooperation that this plant has been able to carry on, and produce its regular amount of business. Although we have been slow in getting out some orders, they have eventually come through. We hope that all of you will continue this splendid cooperation until the war is won and we are able to again have a full staff of printers to produce your work. We are planning a bigger and better newspaper when conditions are normal, and know that we shall be able to do just this thing.

Governor Warren of California made a wise statement Monday. We cannot do intelligent postwar planning until we know what the government is going to do with the billions of dollars worth of war plants scattered over the nation was the gist of the statement. If the government is going to continue in certain lines of business, private industry will be badly cramped when the war ends. Naturally no one is in a position to know at the present time what the government will do with these plants. We shall have to wait until after the election and until after the war to get the real attitude of the government. It is an absurd fact that the bureaucrats who control these industries will desire to hold onto their jobs, regardless.

Earl Browder has dissolved the Socialist Party and joined the New Deal for a 4th Term. Why not? The New Deal has given the Socialists everything that they demanded. The party could never have won a national election, so why continue the farce of a national party? The Ned Deal is a stronger organization and is performing for the Socialists the thing that they could not have achieved for themselves.

Poor old China. The nation is war weary, distressed by seven long years of struggle with Japan. Inflation, greed and crime are rampant among the unfortunate peoples of China. If China is knocked out of the war, it will be a terrible blow to the United Nations. The Japs are having their hands full as MacArthur's men continue to press on toward the Philippines. Let's hope that our boys will relieve the Chinese before it is too late.

The fine rains this week insure a splendid wheat crop for Randall county. The early wheat is made, and favorable weather through June will make the late wheat crop. Randall county farmers have again hit the jack pot. All citizens are jubilant over the prospects for another good crop year on the Plains.

We have another woman candidate for Governor of Texas. We had one woman Governor, due to the fact that she had a super politician husband. This time the woman candidate is running upon her own merits, and we would not give much for her chance of election.

President Roosevelt dropped the hint that he would meet Churchill for another talk. Regarding the time, the President avoided the question, but indicated that the meeting might be several months away. All of this adds up to the fact that he intends running for a 4th term, and expects to be re-elected.

Father Sarpi, well-known historian, believed the air robbed his brain of its power by carrying off his thoughts. So, when writing, he sat encased in paper to ward off air currents.

Hetty Green was worth a hundred million dollars—yet she tried to cut down her clothing bill by wearing newspaper petticoats.

She: "I don't see how football players ever get clean."
Other She: "Silly, what do you think the scrub team is for?"

In parts of Arizona, California, Syria and Arabia, dew forms in such great quantities as to be an important irrigation factor in agriculture.

In the good old days, you could swap 200 cigar bands for a box of fine cigars. Nowadays if you smoked 200 of some brands, they'd have to send you a harp.

A fashion expert claims a girl can dress in 45 seconds, which should give you married men a laugh.

MYSTERY

Young professionals are almost invariably hard run when they first hang out their shingle, until practice and experience come to their relief. The following is reported as a portion of the examination to which an old lawyer admitted he was subjected when he applied for a license. An elderly member of the examining committee interrogated him:

"Are you familiar with any game of chance?"

"No, sir," was the prompt and frank answer.

"Don't you know how to play any games of cards?"

"No, sir."

"Surely, you understand euchre!"

"Never heard of it before."

"It can't be possible you never indulged in a game of draw poker!"

"Yes, sir, it can. I am a member of the church, and don't know one card from another."

"Well," after a long pause of astonishment, "young man, we'll give you a license, but how in the world you're going to make a living for the first two or three years after you start practicing law, is a mystery to me."

Bob: I can speak any language except Greek.
Bill: I bet you can't speak Spanish.
Bob: I know it. That's Greek to me.

V-NEWS

DO YOU KNOW:

THAT many cows, horses and dogs get better food (nutritionally speaking) than the families that own them, according to a Cornell University agriculturist

THAT the tomato is now believed the most all-round important vitamin and mineral carrying vegetable? It was once considered poisonous.

THAT recent research seems to indicate the intake of large quantities of vitamin C (found in orange juice, tomato juice, cabbage, etc.) decreases bleeding during and after an operation? It also aids the body in forming strong scar tissue.

THAT experimental evidence shows Vitamin C to act also as a detoxicant? Animals injected with doses of diphtheria or tetanus toxin are not as likely to have these diseases if they have plenty of vitamin C, as those animals which do not have plenty of this vitamin.

THAT you usually have to drink two cups of tomato juice to get as much Vitamin C as you get in one cup of orange juice?

THAT frozen peas and corn can be stored as long as one year without any loss in thiamin content? Thiamin in Vitamin B.

THAT frozen chicken a la king is the newest addition to the frozen food family? It consists of light and dark chicken, sliced mushrooms, pimento and other seasonings, together with chicken broth in a rich, creamy gravy. To prepare, milk is added and the mixture heated.

THAT the average American soldier now weighs 152 pounds, while during the civil war he weighed only 136 pounds?

Corinne Nash Now Primary Supervisor In Waco Schools

A letter from Corinne Nash, Primary Education major who is now primary supervisor in the Waco City Schools, tells that Superintendent-elect, Irby Carruth, history major, and formerly superintendent of Canyon schools is being cordially received by his co-workers and other citizens of Waco. Still another graduate, Herman Glass, who is now connected with the text book division of the State Department of Education was also a recent visitor to Waco.

During the summer Miss Nash expects to appraise about 500 readers for the State Text Book Committee. Being selected for this hard task is a proof that she is recognized in her field of work.

Floyd Murry Will Return to Floydada

It was announced in last week's Floyd County Hesperian that Floyd Murry, who is now teaching physical education in the 350th Detachment, will return to Floydada as high school coach when his duties end here the 30th of June.

He and Mrs. Murry have been in charge of Prairie Lodge since they came here early the past school year.

Young Mother: "Nurse, what is the most difficult thing for a young mother to learn?"
Nurse: "That other people have perfect children, too."

Boggy: What's worse than raining cats and dogs?
Woogy: Hailing bombs and parachutists.

When the sun has gone down, the surface of the ground loses its heat at a much more rapid rate than does the surrounding air.

The most trusting are the most trustworthy.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

REMINDERS

Meats, Fats: Red stamps A8 thru T8, good indefinitely. U8, V8 and W8 become valid June 4 and remain good indefinitely.

Processed Foods: Blue stamps A8 through V8, good indefinitely.

Most Plentiful Foods: Onions, and eggs over most of the country.

OWI REPORTS ON FOOD SITUATION

Although farm population of the United States is four million less than during the last war, American farmers produced 47 per cent more food in 1943 than in 1918, the Office of War Information said in reporting need for four million volunteer farm workers until after harvest this year. With the aid of the War Food Administration and the Office of Price Administration, OWI reported on the current food situation. Comparing this year with last—apples, peaches, pears and cherries will be more plentiful; slightly less fluid milk and cream will be consumed; less chicken will be available; eggs will continue to be plentiful. Other highlights—wartime increases of income and food have enabled millions of Americans to increase their diets; rationing will be needed until the war is won; current point-free meats will remain reasonably plentiful, with some cuts of better grades less plentiful; the present point holiday on canned vegetables is only temporary and on some meats may be temporary; the 1943-4 citrus fruit production will be 10 per cent higher than last year; the last half of 1944 will show less butter and lard, but more margarine, shortening and vegetable oils than during the first half; sugar supply is adequate, but no increase in household allotments is in sight this year. For nutritional reasons, the report recommends home production of vitamin C-rich foods, such as tomatoes, and consumption of milk, meat and enriched cereals as sources of riboflavin and niacin.

WEATHER STRIPPING FOR HOMES

Weather stripping felt and the wood to keep stripping rigid will be in good supply at retail stores, the War Production Board said. A fair amount of zinc for stripping double hung windows will be available, as well as insulating mineral wool and asphalt roofing, which should be ordered now, before the Fall rush for these materials, WPB says. Rubber and copper weather stripping are not available for the individual consumer.

VOLUNTEERS CHECK FOOD PRICES

About 90,000 more volunteers are needed to continue the price control program, OPA says. More than 40,000 price panel volunteers recently visited 386,289 food stores in this nation-wide drive to tell community grocers about price control and help them comply with OPA regulations. Some volunteers in rural areas worked under considerable hardship, OPA points out. On an island in Lake Michigan, reached only by mail plane, arrangements were made with the mail plane pilot to check the four stores located there. In Plaquemines Parish, Louisiana, boats were used to survey stores in swamp areas. And, in some rural mountain communities, price panel volunteers walked 10 to 15 miles to carry out the compliance program. The survey showed 166,785 price violations on the 10 food items checked and 448,041 price posting violations.

GAS FOR FARM VOLUNTEERS

Persons who volunteer for spare-time labor on farms and in food processing plants this summer may apply for special gasoline rations to get to and from this work, OPA announces. The applicant must arrange to carry at least four persons, including the driver(or as many as the car will hold), and must show there is no other adequate transportation.

REEMPLOYMENT FOR VETERANS

To be entitled to reemployment rights under the Selective Training and Service Act of 1940, the veteran must be honorably discharged and must apply for reemployment "within 40 days after he is relieved from" training and service, according to National Headquarters of Selective Service. A soldier placed in inactive status and transferred to the Enlisted Reserve Corps at his own request to engage in essential industry, loses his reemployment rights if he does not apply to his former employer for reinstatement within 40 days after his transfer. A veteran has recourse to the courts to collect back pay if his reinstatement is improperly delayed by the employer.

SUGAR STAMP 37 INVALID

Sugar stamp 37 in War Ration Book 4 will never be used, OPA announced. Because many housewives mistakenly sent this stamp to their local boards when applying for home canning sugar, instead of the correct stamp—spare stamp 37—OPA has announced that sugar stamp 37 will not be used at all, so that no one will suffer for this mistake.

ROUND-UP

After the recent lowering of the age limits for Merchant Marine trainees, more than 7,000 young men, between 16 and 17½ years old, applied at U. S. Maritime Service enrollment offices, and about 600 have already been ordered to report to training stations. . . . All War Food Administration restrictions of farm slaughter of livestock and delivery of meat has been removed.

WPB reports—a proposal for limited resumption of the manufacture of shotguns, rifles, pistols and revolvers has been submitted to WPB. . . . There is no prospect of authorizing the production of any new radio sets for civilians this year. . . . A tentative production goal of 9,464,000 tons of normal superphosphate for the agricultural year, 1944-45, has been approved by the Chemicals Bureau.

OPA says—watermelon prices to be established soon will mean a sharp reduction at retail from last season's inflated prices. . . . Lard has been removed from all rationing restrictions, since the present supply is considered adequate for all civilian needs. . . . The old-type B and C gasoline ration coupons—B-2 and C-2 without serial numbers—may not be used by consumers on and after June 1.

For the Liberation of Europe

STACKS OF WAR MATERIALS IN ENGLAND are supplying the Allied armies for the liberation of the continent of Europe. The above pictures show a few of the many large stockpiles of weapons made in British war factories—trucks, motorcycles, bombs and heavy guns. The designs of this equipment have been battle-tested in four and a half years of war. The stacks mount daily as the factories work all-out to provide "plenty and in time."

Hike To T-Anchor Held June 5th

Next Monday, June 5, Miss Ruth Cross will sponsor the first All-Hike and Play at T-Anchor Ranch.

Students will go in two groups, one leaving at 5:30 and the other at 6:30. Those interested in attending are asked to meet at the east entrance to the Administration Building. Sack lunches will be furnished at the dormitories.

Miss Cross asks that students wear low-heeled, comfortable shoes, and carry a light jacket.

PART OWNER

In the unusually interesting January, 1944, issue of the EILJER NEWS, published by the Elgin Co., at Ford City, Pa., appears the following short-short story of American pride of ownership:

An Englishman and an American were presented to the potentate of one of the eastern countries. On looking over the Englishman's passport, the dusky monarch said: "I see, sir, that you are a British subject?"

Englishman (twirling his mustache, and with pride): "I am, sir!"

Monarch (looking at the American): "And you, sir, are a subject of the United States?"

American (gazing at the monarch in amazement): "Subject, my eye! I own part of the United States."

We are not subjects of our country—we run it. We are not the property of our government—we own it.

Coach (to new player): "You're great! The way you hammer the line, dodge, tackle your man, and worm through your opponents is simply marvelous."

New Player (modestly): "I guess it comes from my early training, sir. You see, my mother used to take me shopping with her on bargain days."

The parties seem to know whom they want for presidential nominees, but it will take conventions to bring out their vices.

Highland News

School closed at Wildorado and Bushland last Friday with picnics held at the school ground.

The Highland H. D. Club met with Mrs. Elmer Mason last Tuesday. The next meeting will be June6th at the home of Mrs. Geo. Cook.

Mrs. Wilbur Critzinger entertained the Tony Ridge H. D. Club from Carson County last Wednesday.

Mrs. Carl Fuqua called on Mrs. Miles Milhoan last Wednesday.

Mr. and Mrs. D. McDade were dinner guests at the Elmer Mason last Friday evening.

James Walton sold his farm recently and purchased the Frank Daniels store and home at Bushland.

Mrs. Carl Fuqua spent the week end with Mrs. Kellogg.

Mr. and Mrs. Joe Allred, Mrs. Carl Fuqua, Mary Lou Jones and Harold Dean Fowler attended the Amarillo College graduation exercises. Treva Allred was in the class.

Mrs. Jack Baker and Mr. and Mrs. Roark went to Fort Worth last week.

About two and a half inches of rain was receivel over the week end. Wheat is looking fine.

So many little pigs have gone to market that points have been declared off. Now we can cry "Whee, whee, whee" al the way home.

Living in the past or future keeps you from getting your full fun out of the present.

Ex-Student Succeeds Ex-Student at Waco

Irby Carruth is retiring superintendent at Bonham; he becomes superintendent at Waco. He is to be succeeded by Joe Bob Golden, of Wichita Falls, who is also a graduate of West Texas State. Herman Glass, another W. T. graduate, was superintendent at Bonham before Mr. Carruth went there. The wives of all three men are also graduates.

What Britain and the U. S. will do with Hitler remains to be seen—if there are any remains when Russia gets through.

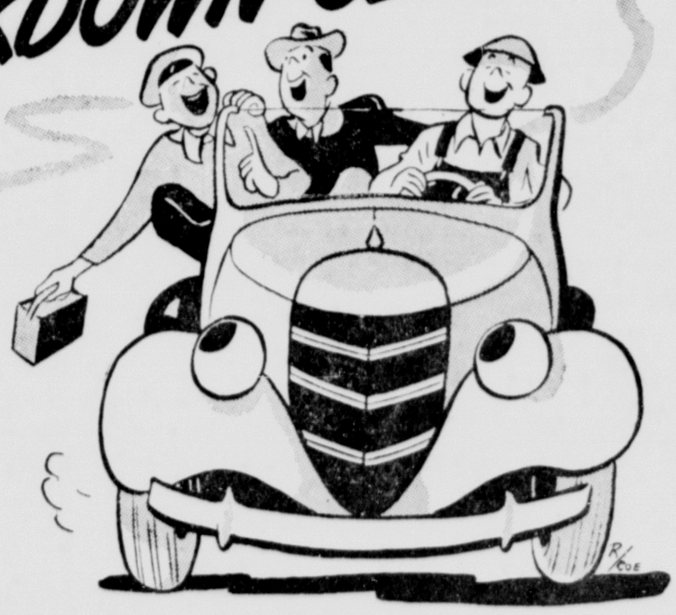
JOIN GULF'S "ANTI-BREAKDOWN" CLUB TODAY!



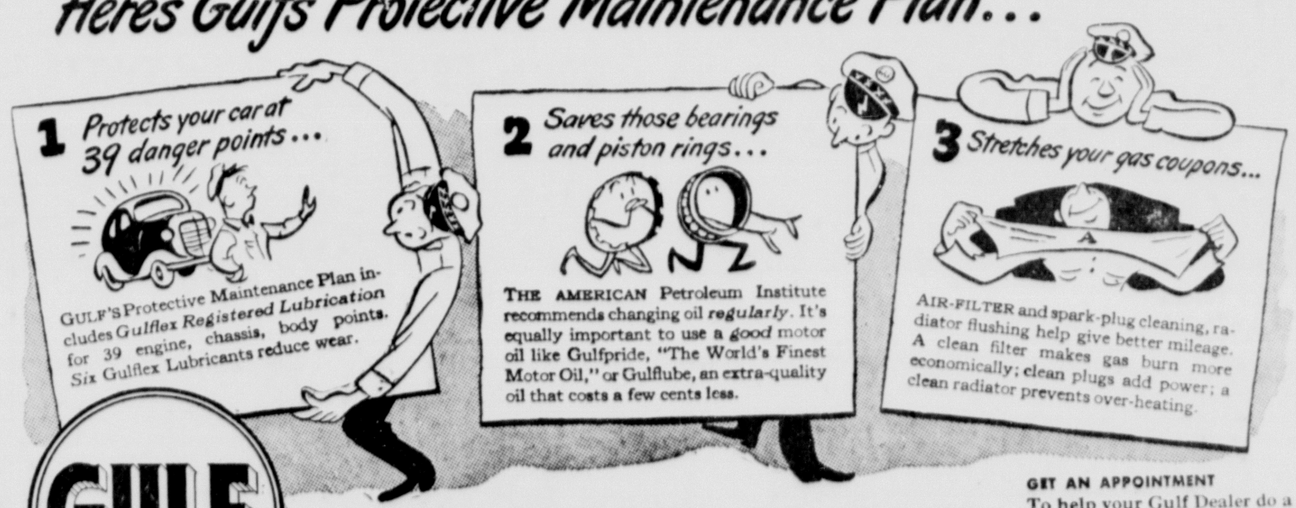
BEFORE THIS WAR IS OVER, there may be only two kinds of people in America . . .

1. those who ride to work, 2. those who walk to work.

If you want to be in the fortunate group who will still be riding to work in automobiles, join Gulf's "Anti-Breakdown" Club today. How do you do it? Just come in for *Gulf's Protective Maintenance Plan!*

This plan was conceived by experts in car care. Gulf developed it because car maintenance is a most important civilian job. (8 out of 10 war workers use automobiles to get to work.)

Here's Gulf's Protective Maintenance Plan...



1 Protects your car at 39 danger points...
GULF'S Protective Maintenance Plan includes Gulflex Registered Lubrication for 39 engine, chassis, body points. Six Gulflex Lubricants reduce wear.
2 Saves those bearings and piston rings...
THE AMERICAN Petroleum Institute recommends changing oil regularly. It's equally important to use a good motor oil like Gulfpride, "The World's Finest Motor Oil," or Gulflube, an extra-quality oil that costs a few cents less.
3 Stretches your gas coupons...
AIR-FILTER and spark-plug cleaning, radiator flushing help give better mileage. A clean filter makes gas burn more economically; clean plugs add power; a clean radiator prevents over-heating.

GULF

GASOLINE POWERS THE ATTACK . . . DON'T WASTE A DROP!

...for better car care today... to avoid breakdowns tomorrow

GET AN APPOINTMENT
To help your Gulf Dealer do a thorough job on your car, make an appointment. Phone or speak to him at the station. Then you should encounter no delay when you get Gulf's Protective Maintenance Plan . . . 15 services in all!

RANDALL COUNTY H. D. COUNCIL MAY DAY TEA

Mrs. R. T. Normand of the Green Haven community was honored Saturday when the Randall County Home Demonstration Council held their annual May Day Tea. Mrs. Normand, Council Secretary and Treasurer is moving to Belton.

The guests were greeted at the door of Thompson's Club Rooms by Mrs. L. E. Mason of the Highland community.

Mrs. T. Jack Baker, Highland community, presided at the guest book which was hand painted by Miss Darliene Keeny. The inscription "The Lord is My Shephard—I shall not want" was painted on the cover of the book.

The program was opened by group singing of "God Bless America" with Mrs. Elmer Winters at the piano. Four members of the Park 4-H Club presented two vocal numbers. Highlight of the program was a review of "The Lieutenant's Lady" presented by Mrs. Henry Crews of the Ralph Club.

Mrs. Jack Cage, council chairman, presented a gift to Mrs. Normand from the council. Mrs. R. L. Campbell, District vice-president, of Deaf Smith county, addressed the group.

Corsages of bluebonnets were presented to Mrs. Campbell, Mrs. Cage, Mrs. Henry and Mrs. Normand.

Tea was served from a beautifully appointed table, centered with yellow and lavender iris. Mrs. Normand presided at the tea service. Mrs. Winters and Mrs. Charles Thurman played piano selections while the fifty guests were being served.

MRS. KNIGHTON ENTERTAINS FRIDAY AFTERNOON BRIDGE

Friday afternoon Mrs. Tom Knighton was hostess to members of the Friday Afternoon Bridge Club and guests. After the afternoon games, ice cream, angel food cake and coffee were served to the three tables of players.

Mrs. M. E. Trout of Childress spent Thursday and Friday with Mr. and Mrs. E. S. Trout.

LADIES AUXILIARY MEETS WITH MRS. J. R. SHARP

On the 23rd of May the Ladies Auxiliary of the First Presbyterian Church assembled at the home of Mrs. J. R. Sharp for a lesson on "Stewardship" as a worship study.

In giving her lesson Mrs. Sharp chose to read a story which revealed the stewardship way of life. Her outline of the subject was "Stewardship of Nations, Stewardship of Privileges and Stewardship of Self."

The introductory portion of her subject was followed by the hymn "America the Beautiful." The prayerful thoughts of this song were enlarged upon in words of supplication by Mrs. Jones' pleading for a more spiritual nation.

In the progress of the story, it seemed that the hymn "I've a Story to Tell the Nations" more clearly expressed the principles of stewardship as practiced by a Christian country; and the spiritual thoughts of the song were augmented with pleadings by Mrs. Cash that General Assembly might assert a spiritual influence over our nation and that the missionaries of the world might continue to be channels thru which divine guidance may be realized.

As the story continued to develop, Mrs. Sharp brought out the thought that stewardship of privileges and stewardship of self given daily thought would lead to full and rich living. This thought was heightened by a vocal number by Mrs. Barker which made plain the fact that the daily practice of the most trivial amenities of life such as a loving word, the faintest smile, or a little act of kindness would diffuse and spread among our associates thru-out life as perfume pervades the surrounding atmosphere.

To be a faithful steward, Mrs. Sharp reminded, would mean discouragement at times when divine help would be the source of renewed faith. "Revive Us Again" was sung by the group.

Mrs. Lee Foster gave of her talent by pleasing the assembly with a selection from Beethoven.

To show appreciation of effectual service in stewardship, gifts were presented to Mrs. Cash and Miss Mary Moss Richardson.

During the social period which followed the program delightful refreshments were served by the hostess to the following: guests, Misses Claxton, Mary Moss Richardson, Mabel Solomon, Mrs. Lucy Gore and Mrs. O. M. Solomon; members, Mrs. C. R. Burrow, Mrs. M. E. Cleavenger, Mrs. A. N. Croson, Mrs. E. D. Harrell, Mrs. G. A. Harris, Mrs. S. L. Ingham, Mrs. Wm. James, Mrs. R. W. Jones, Mrs. L. L. Monroe and Mrs. Ola Ridgway.

MRS. PRESLEY ENTERTAINS AS YOU LIKE IT CLUB

Thursday afternoon Mrs. C. M. Presley entertained the As You Like It Club in rooms that were attractively decorated in roses, honeysuckle and snapdragons.

After a series of games ice cream, cake and punch were served to Mrs. L. Angel, Mrs. J. L. Duflot, Mrs. A. W. Sternenberg, Miss Edna Graham, Mrs. Harris M. Cook, Mrs. W. C. Kunze, Mrs. C. A. Murray, Mrs. R. A. Terrill, Mrs. R. P. Jarrett, Sr., Mrs. Clyde McElroy, members and Mrs. D. A. Shirley and Mrs. S. B. Loudder, guests.

President J. A. Hill returned Sunday from a speaking trip which took him to Marshall, Texas where he addressed the Rotary and Kiwanis Clubs. Next he went to Bonham where he delivered the commencement address to a class of 107.

MRS. J. J. WRIGHT HOSTESS TO RALPH H. D. CLUB

Tuesday the Ralph Home Demonstration Club met in the home of Mrs. J. J. Wright with Mrs. James Jennings co-hostess.

The meeting opened by the group's singing "Texas Our Texas."

Roll call was answered by each person present giving favorite ways to serve tomatoes. Mrs. L. S. Johnston gave a talk on varieties for Randall county and time for planting. Mrs. John Jennings told how to prune tomatoes. Mrs. James Jennings gave a very interesting talk on how to care for the plants.

There will be a School Day party at the home of Mrs. Joe Cox, Saturday night, June 10 at 8:00 o'clock. Everyone is to come dressed in her every day clothes and bring a paper sack lunch.

Next meeting will be June 14 at 3:30 p. m. in the home of Mrs. T. C. Gooch. Miss Patterson will demonstrate canning poultry.

Ice cream, cake and ice tea were served to Mrs. Joe Cox, Mrs. Lonnie Byars, Mrs. Sam Hill, Mrs. Crews Henry, Mrs. John Jennings, Mrs. L. S. Johnston, Mrs. Stacy Howell, Mrs. James Jennings, and Mrs. J. J. Wright.

LAS SENORAS NEUVAS MEETS WITH MRS. DAUGHERTY

On Wednesday afternoon, May 24, the Las Senoras Neuvas Club met with Mrs. J. Madison Daugherty. Mrs. Hosea Foster won high score and Mrs. M. J. Newman low.

Hot rolls, salad and iced tea were served to Mrs. R. P. Jarrett, Jr., Mrs. M. E. Cantrell, Mrs. Tom Brasher, Mrs. Hud Prichard, Mrs. Gordon Lyons, Mrs. W. W. Nicklaus, Mrs. M. J. Newman and Mrs. Hosea Foster.

Monday night Mr. and Mrs. Clyde Davis and June Carolyn, Mr. and Mrs. Roscoe Davis, Anita and Bill attended the commencement exercises of Tulia High School where Miss Marian McGlaun was a member of the senior class.

Glen D. Hicks has reported to Corsicana Field from the San Antonio Aviation Cadet Center to receive his primary flight training. A/S Hicks is the son of Mrs. W. H. Hicks of Canyon.

ROSE WALKER CIRCLE MEETS WITH MRS C. H. STRATTON

The Rose Walker Circle met with Mrs. Charles H. Stratton Tuesday afternoon from three until five. "Standing on the Promises" and "Sunshine in My Soul" were the opening songs sung by the group. Prayer was led by Mrs. Laughery.

The devotional was given by Mrs. Emma Dodson. Prayers by Mrs. Burnett and Mrs. Key followed.

Mrs. Fain, chairman, presided and asked questions from "Things We Should Know."

Mrs. W. T. Davis and Miss Barbra Waller, former Canyon girl, visited at the social hour. Prune cake and home made ice cream were served by the hostess to Mrs. J. D. Key, Mrs. J. C. Dowd, Mrs. J. T. Burnett, Mrs. W. E. Laughery, Mrs. Bullard, Mrs. C. O. Cooper, Mrs. W. T. Davis, Mrs. Barbra Waller, Mrs. I. M. Steen, Mrs. L. C. Ruthardt, Mrs. Emma Dodson, Mrs. T. T. Fain and Joy Oldham.

All circles will meet at the Church Tuesday with covered dish lunch at noon.

Mrs. W. L. Vaughan and son, James, went to Chickasha, Okla., to attend the graduation exercises of the Oklahoma College for Women. Miss Virginia Vaughan received her degree Tuesday. She and Frances Vaughan have been students in the college this year.

The Cemetery Association will meet in the Thompson Club room at 4:00 o'clock Saturday afternoon.

Bernie Bean and Lola Ayers of Amarillo visited Mrs. W. M. Rogers Sunday.

MRS. E. A. MICHAEL IS HOSTESS TO ZITA H. D. CLUB

The Zita Home Demonstration Club met Tuesday, May 23, in the home of Mrs. Forrest Gruner. Roll call was answered by "My favorite way of using tomatoes." A program on "Growing Tomatoes" was given by Mrs. E. A. Michael, Mrs. H. B. Hales and Mrs. J. P. Upchurch. This was followed by a general discussion of the subject.

Lunch was served to the following: Mrs. J. P. Upchurch, Mrs. H. R. Fulton, Mrs. D. C. McCormick, Mrs. G. H. Rose and Joy, Mrs. Bailie McCormick, Jack and Nancy, Mrs. Ralph Ruthardt, Garland and Nora Dell, Mrs. H. B. Hales, Mrs. E. A. Michael and Sandra, Mrs. Emma Gruner, Mrs. Fred Whitaker, Miss Phyllis Albers and the hostess, Mrs. Forrest Gruner.

The next meeting will be with Mrs. J. P. Upchurch, June 13.

Relatives and friends of Pfc. George T. Cunning met at the home of his uncle, Thurman Summar, on the Canyon Highway, Sunday for a farewell dinner. There were 32 present, and games, singing and refreshments were enjoyed by all throughout the day. George left Monday to report for duty after his 30 days at home.

Captain and Mrs. A. M. Warren will leave Friday for California where Capt. Warren will report to the Army Air Corps. He is on a leave after spending 18 months in Alaska.

Miss Columbia Redfearn is home from an Amarillo hospital where she had been for a minor operation.

Nazi Railroads "Rubbed Out" by Bombing

BLASTING THE WAY FOR THE ALLIED ARMIES OF LIBERATION, our bombers are smashing at key points of enemy communications in Europe. The picture at left shows the railroad yards at Juvisy, France, with long freight trains loaded with Nazi supplies. The picture on the right shows the same scene a few hours after attack by heavy Lancasters and Halifaxes of Britain's R.A.F. Workshops, depots, warehouses and signal equipment have completely disappeared, and rolling stock is lying between the shattered tracks in grotesque positions.

Palo Duro News

Mrs. Pauline Wendelkin and Wilbert visited in the Raymond Tucek home Sunday afternoon.

Mrs. C. A. Gaertner and son, Charles, who have spent the past month in the parental Louise Meyer home, left Tuesday to return to their home in Brownsville.

A/C Vance W. Albers has been transferred from California to Marfa, Texas for his advanced training.

Mrs. Bill Deane and Dianne of Lark visited Sunday afternoon in the Henry Miller home.

Miss Clara Miller and Mrs. Adolph Kampen spent Sunday afternoon with Mr. and Mrs. Geo. Albers.

Mr. and Mrs. G. H. Leseberg and Gladys visited Mr. and Mrs. Jack McBroom and family Sunday.

Alan Albers returned from Channing on Thursday.

Mrs. T. C. Jennings is again at home after spending several months in Amarillo.

Mr. Hickcox and Mr. and Mrs. Emmet Prichard visited Henry Miller Monday of last week.

The annual Lutheran Ladies party will be held in the G. H. Leseberg home Thursday.

AS PAT VIEWED IT

Two young Irishmen had just gone into the trenches during the World War, and their captain promised $1 for every one of the enemy they killed. Pat was asleep when he was awakened by Mike shouting, "The Germans are charging! Wake up!"

"How many are there?" shouted Pat.

"About 50,000," says Mike.

"Begorra," shouts Pat, jumping up and grabbing his rifle, "our fortune's made."

"Fasten that top button, you," yelled the drill sergeant to Recruit Kelly, Jr., " we don't want none of that strip-tease stuff in this army!"

You'll have to "grow some" to get fresher vegetables than those we offer because they're the pick of the market—the freshest of the finest arrivals from America's farmlands. THOMPSON'S

Kerr House No Longer Home For Faculty Members

The Kerr House is no longer home for the group of college teachers who have made it a center for many pleasant events during the past ten years. With Miss Anna I. Hibbets' decision to resign this year, it seemed inadvisable to maintain the place. Miss Hibbets will live at 2105 Tyler St., Amarillo, where she will be glad to see her Canyon friends. Dr. Hattie M. Anderson has moved to a duplex at 300 Second Street. Miss Lee Sullivan will continue to room in the house, living with Judge and Mrs. C. F. Kerr. Miss Adele Barnes is now living at the home of Miss Isabel Robinson, head of the art department.

For many years Mrs. Laura Saunders was manager of the house, and its residents have missed her keenly since her death last year. It was about one year ago that Miss Darthula Walker bought the Olin E. Hinkle home and left the Kerr house.

Among others who have been residents of the "strawberry stucco, close to the campus" are Dr. Ima Barlow, Miss Ruth Cross, Miss Margaret Barrett and a number of summer school instructors who have enjoyed the hospitality of the house for a brief time.

The Kerr House has been the scene of many delightful breakfasts, bridge dinners, teas, and other entertainments. Each year for a long time it has been the meeting place one or more times for the American Association of University Women. College visitors have been made comfortable there. The house has become almost a part of the college; now that it is no longer the home of a group of college women it will almost seem that the campus has lost one of its buildings.

Judge and Mrs. Kerr who own it and who lived in it several years ago have recently lived in Hereford, but now expect to live in Canyon, so the "Kerr House" is again truly described by its name.

Originally the Kerr house was the Presbyterian Church and was bought by the Kerrs, moved to its present location, cupola and all, then converted into the present attractive home.

Mrs. W. C. Arnold of Memphis visited relatives in Canyon this week.

Miss Billie Bee Flesher was home over the week end from Carlsbad where she has been teaching. She left Tuesday for Trinidad, Colo., where she is visiting with her sister, Miss Natalie Flesher.

Sgt. and Mrs. Tommie Butler and daughter, Ginger, are spending a short leave with his mother, Mrs. Mamie Butler. Sgt. Butler is stationed at Camp Crowder, Mo.

Mr. and Mrs. Leroy Pitt left Wednesday for San Francisco, Calif., to spend the summer. They plan to return in time for Mrs. Pitt to enter the fall term of school.

Pvts. Robert W. Foster and Lee McLaury left Monday for San Diego where they returned to their posts in the Marine Corps. They spent a week here with their families.

Mrs. E. W. Pettitt and son are at the home of her mother, Mrs. W. E. Lockhart. Lt. Pettitt is stationed at Liberal, Kansas.

Pvt. Curtis L. Hughes and wife have been visiting his mother, Mrs. R. M. Gibbs, left Thursday. Curtis is stationed at Camp Carson, Colo.

John Moody of Stephenville has been here this week looking after business. The family lived north of Canyon until recently.

Bernard Warren returned Sunday from Austin where he took the State examinations Saturday for funeral director.

Mrs. W. M. Rogers is visiting in Albuquerque, N. M. with her sister, Mrs. Emma Charles, who has been ill for some time.

H. P. Neill was brought home yesterday from an Amarillo hospital where he has been under treatment for an infection of his eye.

"Do you have something for an indifferent old bat who doesn't give a hoot about men?"

Johnson Items

Mr. and Mrs. C. W. Bauer, Mr. and Mrs. F. H. Bauer, Mrs. F. M. Brazil and Mr. and Mrs. Phillip Rickwartz were business callers in Amarillo this week.

Elmer Bauer, Jr. spent Friday night with Francis Davis.

Mrs. C. W. Bauer and Mrs. F. M. Brazil attended the sewing club at the home of Mrs. Melvin Miller, Tuesday.

A son, James Eldon, was born to Mr. and Mrs. Roy Stockett, Saturday.

E. J. Bauer and Carrie visited Mrs. Ray Stockett and son in the Tulia Hospital, Monday.

Julius Goettsch attended to business in Canyon this week.

Edna Jean Ray spent Sunday in the F. H. Bauer home.

Mr. and Mrs. Phillip Rickwartz were dinner guests in the Irvin Podzemny home Sunday.

Laura and Mary Alive Brazil are staying at Mrs. Neal's this week.

The earth is about 3,000,000 miles farther from the sun in July than it is in January.

Eggs by the Pound Instead of by Dozen

Trend Favors Both Buyer and Seller

A trend toward selling eggs by the pound instead of by the dozen is becoming evident in some sections of the country, and this is profitable both to the producer and the consumer, in the opinion of Myrtle Murray, home industries specialist of the Texas A. and M. college extension service.

Under present marketing practices, the consumer pays as much per dozen for extremely small eggs as for standard eggs which weigh two ounces each, or a pound and a half per dozen. Likewise, Miss Murray explains, the producer who markets standard size eggs or larger receives no price advantages for a better product.

Until the public and the trade accept the change from the dozen to pound basis, producers will have to obtain their premiums by offering high quality clean, infertile eggs correctly prepared for marketing.

An Indiana farmer hitches up his team of mules. There's plenty of use for a team these days.

This means that eggs should be gathered at least twice a day and kept in a clean wire basket until they are cool and ready for packing. They should then be graded as to size, putting the uniformly small eggs, the medium (24 ounces to the dozen) and large ones in separate containers. They should also be candled, and sort out the defective eggs.

Eggs should always be packed with the pointed end down. If packing materials have been used previously, care should be taken to see that they are clean. Avoid wrapping eggs in newspapers.

Miss Murray recommends that eggs be marketed at least twice a week so that consumers can be assured of fresh produce.

MADE FOR THE JOB

He was undersized, meek, diffident, and subdued and he had applied for a job as night watchman.

"Yes," said the manager, dubiously, "but the fact is we want someone who is restless and uneasy, especially at night. Someone who thinks the worst of everybody, and whose suspicions are seldom allayed. Someone who sleeps with one eye open. Someone with remarkable hearing who starts at the slightest sound. Someone who is always listening, thinking there are bad characters around. We want a large, aggressive, intrepid, and dangerous person, bad tempered and revengeful. The kind of person, in short, who, when roused, is a fiend incarnate."

"All right," said the little man as he walked away. "I'll send the wife."

Hydrogen is the lightest known substance, nearly 15 times lighter than air.

New Coupons Will Be Given To Help Stop Violations

On June 1 all B-2 and C-2 gasoline rations become invalid for consumer use, the District Office of Price Administration announces.

Persons holding B-2 and C-2 rations which will not expire until after June 1 must present the coupons to their Ration Boards in exchange for valid coupons of equal value.

District officials announce that gasoline dealers have until June 10 to turn their ration evidence over to distributors. Distributors must give their ration evidence to ration banks by June 20.

These old-type B and C rations without serial numbers were invalidated as a measure to cut down black market operations, officials explained. Serially-numbered coupons give a permanent identity to each coupon, and are more difficult to counterfeit than the old type.

At the same time it was pointed out that serial numbering does not make endorsement of coupons any less necessary.

CAPITAL PUNISHMENT

A middle-aged but rich widow, who had a disagreeable temper, complained to her son-in-law that she was annoyed by the attentions of a man.

"How shall I get rid of him?" she asked.

"Marry him," laconically replied the son-in-law.

"I'd see him hanged first."

"Just marry him, and it won't be long before he'll hang himself."

Casing Thefts Are Reported in Canyon

Thefts of several spare casings have been reported in Canyon recently. The latest theft occurred Saturday night when the spare was taken from the car of Miss Olive V. Schramm.

With little identification to go on, officers have little hope of recovering stolen casings as the job is done by professionals, who gather large numbers of casings.

WARWICK'S

DRIVE IT HOME!

"That's the way I like to see them," said Gen. MacArthur when he saw the rows of dead Japs in the Admiralty Islands. In this war—the costliest, cruelest war of all time—our boys must fight with savage fury. Kill or be killed! And on how well each plays his part depends the lives of many of his buddies.

Here on the home front, too, just *cheering* the attack on isn't enough. That's why there's a Fifth War Bond drive on now, a drive in which you're needed to support the men on the fighting fronts who are facing the most treacherous forces Americans have ever met in combat. We on the home front can't let them down—and we won't. So resolve *now* to at least *double* your Bond buying in the 5th War Loan drive. This is the time to do *better* than your best.

Newman Teaches Band Course

Short Course for Prospective Directors Will Begin on Monday

Bands of Texas schools may not suffer so much from war conditions next year as has been feared, if the schools will send their prospective band directors to the short course which will begin next Monday at West Texas State College.

Mr. M. J. Newman will have charge of the class, which has been planned by the music department to meet the needs of public school music and piano teachers who have found themselves required to conduct bands, and for band directors who do not feel secure in their work.

The course will be known as Music 211; the class will meet two hours each day for six weeks; credit value of the course will be three semester hours. Its hours of meeting will be arranged to meet the convenience of the students.

According to Mr. Newman, the work will be divided into four units, the problems of band instruments, a survey of band materials, conducting problems, and marching band techniques.

A basic knowledge of music is essential in those who take the course; it is not designed for those who are just beginning a study of music.

Students may take this course without enrolling for other work if they wish to do so.

Mr. and Mrs. John Jennings, Janie and June, spent Sunday with Mrs. T. C. Jennings.

Mary Alice Browning spent Friday night with Nell Drake in Canyon.

Mr. and Mrs. Earl Burtz and Clifford visited in the Albert Meyer home Sunday night.

Mr. and Mrs. John Jennings Janie and June, visited in the H. C. McDonald home Thursday night.

Mr. and Mrs. Earl Davis and family spent Sunday in the Earl Burtz home.

Miss Imagene McDonald visited June and Janie Jennings Tuesday.

Mrs. Minnie Loudder and grandsons returned from Clayton, N. M., Thursday.

Mrs. Carl Heizer returned from California this week.

Tommy Butler and family spent Friday night and Saturday in the S. O. O'Donald home.

S. O. O'Donald's sister from near Fort Worth is spending a few weeks in his home.

Jim and Helen Spencer visited in the C. S. Davenport home Wednesday night.

A number of people of this community attended the Canyon High School Commencement Sermon at the Methodist Church Sunday night.

A mile of steel rail will measure a little more than one yard longer in summer than in winter because of expansion caused by summer heat.

Water will boil more quickly in a highly polished teakettle than in one which is dull or rough, since polished surfaces reflect rather than absorb heat.

A "solar engine" deriving its energy from the heat of the sun is now being used successfully in pumping water from the Nile for irrigation purposes.

A Wyoming man bitten by a snake went 60 miles for a doctor. He probably knew what was good for snake bites, but he couldn't get any.

The same slogan is appropriate for war bonds and victory gardens—dig down.

Chocolate beans were once used as currency in Mexico.

From Italy to Poland

POLISH ARTILLERYMEN, part of two Polish divisions fighting with United Nations forces in Italy, recall on this May 3rd, Polish National Day, their country's national anthem, "Poland Has Not Perished Yet." There is new meaning in the song written when other Polish legions formed in Italy during the Napoleonic Wars under Gen. Dombrowski for the liberation of their homeland: "March, march, Dombrowski, from the Italian plains to Poland!"

Is the State of Texas going to keep faith with the instructors who entered the armed forces to fight for us and offer their blood and their lives, and who joined the colors under the belief that when the fighting was over, whoever had their old job would give it up and these veterans would get their places back?

The board of regents of the Texas State Teachers Colleges recently adopted a three-sectioned resolution.

One section provided that the instructors now wearing the uniform will be re-employed if their position in the college is still under legislative appropriation. (Of course, if the legislature has meanwhile abolished the place, it would be impossible to give it back).

Another section stipulates that the veteran will be taken back provided that nothing has occurred during his absence which would reduce his usefulness to the institution. Presumably, that means that the instructor shall not have sustained serious impairment. (If he is disabled, a grateful nation should and will make proper provision for him, insofar as lies within human power).

But the other section of the resolution provides that the instructor who comes back from the battlefield shall get his old place back provided:

"The college has been able to preserve the position and'—note this last provision—"and is able to make it available without impairing the general usefulness of the institution."

What does this mean? Is it a loophole to enable someone in authority to deny a hero his rightful due and to keep in his place someone whose very life and liberty were preserved by the man who marched away?

State officials have made stirring speeches calling on private industry to give their employees their old places back when they come home after wearing the uniform—and private industry has gladly made this pledge as the very least we can do in appreciation of their service.

Shall the State of Texas urge for industry and business a higher standard of gratitude than it is willing to abide by itself?

The board of regents of the State Teachers College should amplify and clarify the resolution. The instructor who gave up his place to go to war and who comes back as well qualified as when he left is entitled to have his old place back—or a better one! The people of Texas are going to insist on that—and they want no loopholes, "buts," "ifs" and "maybes"—and they don't mean maybe!

The magnetic poles of the earth do not correspond to the geographic poles, and their position is slowly changing. The North Magnetic Pole is near the Hudson Bay, while the South Magnetic Pole is in the Antarctic regions.

"What's the date today?"
"I don't know."
"Take a look at that newspaper."
"It's no use. It's yesterday's paper."

According to the New York Times, the 30 per cent night club tax has caused one-third of these clubs to close. Who says war does not have its compensations.

Somebody wants to know why they need so many bureaus at Washington. That's easy. They have to have some place in which to keep the red tape.

With the exception of Australia, Europe is the smallest of continents, its area occupying only about one-seventh of the total land surface of the globe.

The present classification of visible stars into constellations is believed to have been originated by the Babylonians about 5,000 years ago.

Since sound is dependent on the destiny of the air, a revolver fired in the rare atmosphere on top of Mont Blanc makes about as much noise as a fire-cracker at sea level.

The extremes of recorded temperature in the United States are 134 degrees in Death Valley, California, and 60 degrees below zero in northern Montana.

Right now, millions of American families would like to lend-lease their front lawn to somebody with a lawn mower who wants exercise.

Different colors are caused by different rates of vibrations of electrons, just as different frequencies of vibrating strings cause varying tones of music.

One way to tell a woman's 1944 hat from a 1943 bird's nest: the hat will be on a woman's head. The nest will be in a tree.

Happiness is not a station you arrive at, but a manner of traveling.

Besides the nine large planets, there are in our solar system more than 800 small planets or planetoids which revolve around the sun.

Betelguese, the star nearest to the earth, is more than 400 million millions of miles distant, and has a diameter of 300 million miles.

It is doubtful if any fly has ever gone out when a screen door was left open. Keep 'em shut!

CITATION BY PUBLICATION
THE STATE OF TEXAS
To: Florence Abbott, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 3rd day of July, A. D., 1944, at or before 10 o'clock A. M., before the Honorable District Court of Randall County, at the Court House in Canyon, Texas.

Said plaintiff's petition was filed on the 24th day of March, 1944. The file number of said suit being No. 1801

The names of the parties in said suit are: Medford Abbott as Plaintiff, and Florence Abbott as Defendant.

The nature of said suit being substantially as follows, towit: Action for divorce based upon Cruel and Harsh treatment and improper conduct of defendant toward plaintiff and excesses and outrages on the part of the defendant toward plaintiff to such an extent as to render their further living together as husband and wife insupportable; and for care and custody of the minor child.

Issued this the 20th day of May, 1944.

Given under my hand and seal of said Court, at office in Canyon, Texas, this the 20th day of May A. D., 1944.

(Seal) A. B. HOLT, Clerk,
District Court,
12t4 Randall County, Texas.

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of May 29, 1919)

John Knight shipped in a registered Duroc boar to head his splendid herd. This is said to be one of the finest boars in the Panhandle.

Congressman Marvin Jones introduced a bill in Congress to establish a veterans hospital in Amarillo.

A meeting to organize the Panhandle-Plains Chamber of Commerce will be held in Amarillo June 3.

According to reports from Austin, the vote on constitutional amendments Saturday was very light: state prohibition won; woman suffrage lost; increasing the governor's salary lost.

Ed Jones was discharged from the army.

A daughter was born to Mr. and Mrs. T. V. Slack.

Wayside Items

Rev. Jack Reeves filled his regular appointment Sunday morning and night.

Mr. and Mrs. Roy Stockett announce the arrival of a son, born Saturday night. They live near Tulia.

The fine rain Friday was very much appreciated by the farmers. The wheat is the finest it has been for several years.

Mr. and Mrs. W. R. Franklin and Glen were dinner guests in the Roy Franklin home in Canyon Friday.

Miss June Childress of South Plains is visiting her grandmother, Mrs. E. A. Franklin in Happy.

Marvin C. Sluder is substituting for Buddie Cox as mail carrier from Happy to Wayside for a few days.

Guy Payne is very low in a Lubbock hospital.

Ewing McGehee and Mrs. Lowe McGehee were dinner guests in the W. I. Lane home Sunday.

The average yearly rainfall over the United States equals 1,300 cubic miles of water weighing six trillion tons.

Geometry as a practical art is believed to have originated in Egypt, having been in use in that country as early as 3,000 B. C.

The United States' first postmaster was Benjamin Franklin, appointed by the Continental Congress in 1775.

The speed of light is almost one million times as great as that of sound.

Japs Nabbed on Burma Front

TO BE CAPTURED ALIVE is considered a disgrace by the Japanese and they usually fight suicidally rather than give in. This makes this picture unusual. The British tommies are bringing in these three for questioning.

Thirty Students Are on W. T.'s Spring Honor Roll

Thirty students enrolled in the Spring semester at W. T. were listed on the Honor Roll, having an average of 3.5 or above.

Those having an average in grade points of 4 were Helen Bernson, Dalhart, Anita Davis, Canyon, Martha Jean Dowd, Canyon, Wilma Higgins, Hereford, Mary Helen Mickey, Canyon, Mrs. Hallie Park, Salida, Colo., and Jean Tarlton, Canyon.

Those having an average of 3.83 were Rose Marie Hoare, Dumas, and Mrs. Dorothy Jane Tout, Pampa.

With an average of 3.8 were Mrs. William Butler, Canyon, Helen Driskil, Hot Springs, New Mexico, Wynona Francis, Silverton, Beulah Hammond, Canyon, Sam Johnson, Canyon, and Evelyn Jeanne McCarty, Amarillo.

F. D. Barnhill, Canyon had an average of 3.66.

Those having an average of 3.6 were Wilma Baber, Wichita Falls, Carolyn Black, Canyon, Wanelle Church, Claude, Stuart Condron, Canyon, Marie Durett, Panhandle, Manus Foster, Canyon, Thelma Hunter, Wheeler, Marion Littlefield, Crosbyton, Jim McCabe, Dawn, Mrs. Elnora R. Masterson, Turkey, and Mary Louise Piehl, Channing.

With 3.5 as an average were Orpha Flemming, Follett, Eris Norton, Bovinia, and Mrs. Evelyn Taylor, Vega.

"They say that brunettes have sweeter dispositions than blondes."

"Well, my wife has been both and I can't see any difference."

Professor: "You don't know the first thing about syntax."

Student: "Lord, don't tell me they're taxing that."

If you can sleep well, you've got the world licked.

Government Subject of Lions Club at Tuesday's Lunch

Government was the subject of discussion Tuesday at the luncheon of the Lions Club.

Clyde W. Warwick discussed the trends of government during the past 25 years as America became more and more a dictator nation. The present condition has been a gradual development brought about by World War I; the depression; and World War II.

The warning signal is up, indicating that citizens who are interested in Democracy must beware of the future. These signals are shown in the present Montgomery Ward case; the prosecution of OPA without trial or appeal; the case of the Dallas News on Fair Employment Practice; the refusal of the government to allow a church extension; the inroads of the federal government on the colleges and public schools of Texas; the performance of the labor unions in America; the handicaps of all this internal weakness on our Good Neighbor Policy.

The speaker termed the attitude of the nation as cowardly in its refusal to meet present day problems, but to wait "until the boys come home." The prevailing attitude is to let our fighting men win the war and then come home to straighten out the mess which is allowed to grow in front of our eyes.

All Americans are firm in their approval of the Democratic form of government, but should be aware of the dangers which confront the nation; and to be on guard in an attitude of strong opposition and constructive criticism of those things which are leading the nation away from the Democratic ideals of government.

MICKIE SAYS—

'Ja, but It's Still Crow'

Fairview Breezes

This community was drenched with another good rain. Every one has been busy planting row crops.

G. E. Wesley is able to be up at present.

Those attending the surprise birthday party in the J. Fulcher home honoring Mary, Saturday night were: Mr. and Mrs. C. L. Wesley and children, Marie, Charley Frank and Robert, Delbert Wesley, Frank Rogers, Mr. and Mrs. J. W. Wesley and Vesta Amerson.

Mrs. C. M. Rogers is on the sick list.

Mr. and Mrs. Alvin Wesley and Lola Belle spent Saturday night in the ditch, having slid in from muddy roads.

Charles Wilson, Troy Wayne Sharpes and Charley Frank Wesley visited Arlen Ray Wesley Sunday.

Vesta Amerson, Delbert Wesley and Frank Rogers were Sunday visitors in the J. Fulcher home.

The H. D. Club will meet Friday afternoon at 3 o'clock in the home of Mrs. E. W. Schaeffer. Miss Patterson will give a demonstration on canning chickens.

Mrs. C. M. Rogers and Mrs. J. W. Wesley will entertain the people Friday evening at the home of Mrs. E. M. Wilson.

MARRIAGE MAXIMS

Once a man has tied the knot, he doesn't have much rope.

Courtship makes a man spoon; marriage makes him fork out.

No girl marries a man for better or for worse, but for more or less.

Marriage is like a cafeteria: He grabs what looks nice to him, and pays for it later.

In a Missouri court the wife said her husband struck her, and the husband said she struck him. We can't say who'll get the divorce until we know how it strikes the judge.

DIFFERENT WITH ROOKIE

"I have a pain in my abdomen," said the rookie to the army doctor.

"Young man," replied the medico, "officers have abdomens, sergeants have stomachs; you have a belly-ache."

Children are able to hear sounds of a much higher pitch than older people.

International Control After War Subject of Rotary Program

Tuesday the Rotarians studied problem of International relations after the war.

The Eli Culberson Plan for International Control was the basis of the program lead by Dr. L. F. Sheffy. Churchill advocates World Military power and that Post-war Europe has possibilities of being a 100 nation continent instead of the present with 70 nations.

Wars are caused by four major controversies: religious differences, political differences, desire for lands, struggles for freedoms. There have been 16 international wars. After this war the Big Four will be the United States, England, Russia and China and they will likely dominate the plans for international control. However, any plan that they may project will fail unless it recognizes all nations, large and small.

Culberson advocates a world president who would serve 6 years with no re-election. To complete this government set up would be 11 world trustees, 55 world senators, a world court of equity with 11 districts, and a world court with 11 judges. The senators would be chosen to represent education, agriculture, science, capital and labor from each of the 11 regional districts. There would be world supervision and control of armament.

Added to this would be an enforcement or international police force comprised of 2,000,000 armed men divided into a national corps and a mobile corps.

Visiting Rotarians were: Bob Lindsey of Borger; F. P. O'Bera, C. L. Smith, and Sam Tidwell, Amarillo; Ed Brooks, Hereford, and Carl Berry, Childress.

Jowell Items

Mr. and Mrs. T. J. Bonds and Kenneth Ray visited Mr. and Mrs. P. M. Elrod of Wildorado over the week end.

Mr. and Mrs. Grady Ponder of Happy visited in the W. T. Cope home Sunday evening.

Mrs. O. M. Scott, Mrs. Roy Byrd, Mrs. Scott's cousin, were visitors in Amarillo Friday.
